Principal's Message

As you know, last Thursday Barkers Vale hosted the COLOURSS Public Speaking Competition. This event takes a lot of organisation. It was extremely remiss of me to not acknowledge the incredible job **Julie** did in organising this event this year. We sincerely appreciate the fantastic job she did both prior to and on the day. The feedback from our visiting schools was wonderful. A big thank you to you Julie.

Julie does so much for our school including the SRC—our students had an amazing day today at the '**Disco/Devices Day**'. Thankyou again Julie for organising this and also to the many parents who brought in cooking for the SRC cake stall today.

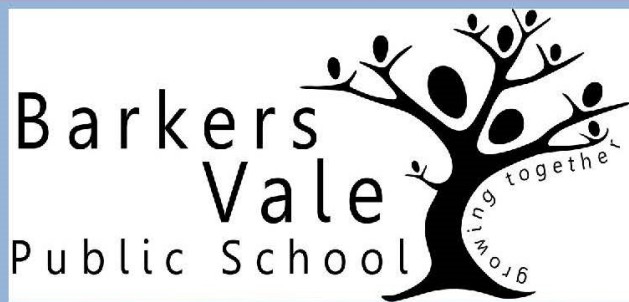

The **School Photos** arrived this morning and are being sent home today also.

Regards Kath Johnston

Planning For 2019

We will be commencing 2019 with 3 classes again next year. To maintain these 3 classes for the whole year we will need a few more enrolments. If you know of anyone who may like to enjoy 'Education at Barkers Vale', please let us know and encourage them to contact us. Thank you.

**Welcoming enrolments
now and for 2019**

- ◆ Academic growth consistently above state average
- ◆ Differentiated learning to meet the needs of all students
- ◆ Caring and supportive staff nurturing creative and independent learners
- ◆ Creative and Performing Arts Music Choir Sporting opportunities
- ◆ STEM and dedicated Technology Centre
- ◆ Wellbeing—Mindfulness / Rock and Water / Yoga
