

Term 4 Week 7 Wednesday 27 November, 2019

Dear Parents and Carers,

Swimming

All students are having fun developing their aquatic confidence and skills this week at Kyogle pool. The time at the pool is a welcome relief from the hot dry conditions we are currently experiencing. Thank you to our dedicated staff whose efforts have ensured the success of our swimming scheme. I would also like to congratulate the students on their wonderful manners and positive attitude.

COLOURSS Social and Y6 Dinner

There are lots of fun activities coming up in the near future. On Thursday, November 28, the COLOURSS group are hosting a disco for all primary aged students at Wiangaree Hall.

Next Monday, December 2, COLOURSS are also hosting their Year 6 Dinner at Kyogle (ticket sales are now closed). Barkers Vale Public School will be holding our Year 6 Farewell on Tuesday 17 December at the school.

BVPS Concert

Save the date for our annual school concert to be held at Barkers Vale Public School on Thursday, December 12. More details to follow. We are looking forward to showcasing the amazing talents and skills of our students.

In maths we are practicing our counting drills. Counting by 2s, 5s and 10s.

Gymnastics

Our gymnastics program has been well received, and is gaining lots of positive feedback from students and staff. The program was made possible through a Sporting Schools grant. Gymnastics has added extra enjoyment into our Fun Fridays!

We are reminding all students to treat our wildlife, from insects to larger animals, with respect and care. I challenge all students to be wildlife warriors and observe with their eyes and not touch animals and insects.

K-3 News

During the sessions before swimming each day, K-3 are learning about friendships and social skills. We are understanding that it is ok to be different and uniqueness is something to be celebrated and not berated.

Recycling at Barkers Vale Public School – Term 4, 2019

We have been running a very successful recycling system here at Barkers Vale PS for several years now. This involves the children, parents and school staff volunteering once a term to collect all the paper and plastics around the school.

This term we are going to continue to recycle each fortnight.

Below is a copy of the roster so far. If you can help out with recycling this term we would be most grateful. Please call the school on 66 897 202 or send in the note to let us know if you can help. We usually gather the recycling on a Thursday morning so it can be collected that afternoon. Thanks for your help.
