

Term 3 Week 10 Wednesday 25 September, 2019

Dear Parents and Carers,

Happy holidays to everyone following a wonderful term 3. Students and staff have worked hard and have achieved pleasing results. I hope everyone has a safe and happy holiday sharing special moments with family and friends. School returns on Monday 14 October 2019. There is no staff development day at the beginning of Term 4.

Fire Evacuation Drill

During Week 9 and 10 students have been learning about emergency evacuation procedures. All students are to be commended on the sensible manner in which they participated in our emergency fire drill this week. Students were given the opportunity to ask questions and practice the procedures.

Kyogle Show

Barkers Vale art will be displayed at the Kyogle Show. Students have created some beautiful pieces and I hope as many families as possible can visit the show to see the exhibition.

Pirate Day

Aaaargh!!!! This Friday we are celebrating our successful Term 3 by holding a Pirate Day full of fun activities. Students are encouraged to dress up like a pirate. We ask students to bring some coins to create a coin trail to raise money for the SRC to purchase robots.

Interspeak

Barkers Vale Public was honoured to host this year's COLOURSS Interspeak event on Thursday 19 September. All students presented exceptional speeches. The judges, Mr Peter Lanyon and Mr Steven Upsall were very impressed with the student's content, articulation and overall presentation. Many speeches contained thought provoking elements. The Stage 3 winners were; 1st Isabella representing The Risk Public School and 2nd Erin representing Afterlee Public School. The Stage 2 winners were; 1st Jasmeet representing Collins Creek Public School and 2nd Jazper representing Barkers Vale Public School. Congratulations to all students who participated. The behaviour of all students was exemplary and everyone enjoyed the day with friends and family.

Hanging Rock's Got Talent

Last Saturday, some of our current and past students competed in the Hanging Rock's Got Talent competition. The day was apparently a lot of fun and a successful community event. We would like to extend our congratulations to Blossom who won the talent quest with an acapella singing act. Jazper also impressed everyone with his guitar playing as did Mallee and Amelie with their acrobatic duo performance. Well done to all involved.

Geography Projects

Senior students presented their NP Project this week and I was very impressed by the high quality of work. Well done!

K-3 News

This week we have been enjoying a variety of stories. As a response to the text, The Baby Owls by Martin Waddell, students created a beautiful art work and completed a retell of the story. Each student is working on individual learning goals in writing and maths. Please discuss this with your child. I am so pleased with each student's dedication to their learning.
